- II. Review Health Subcommittee meeting minutes from 4.10.13** **Adam B.**
- Meeting minutes are approved by Health Subcommittee
- III. Health Subcommittee Work Group Updates** **Janine L.**
- a. Obesity Prevention Work Group
    - Adam discussed his participation in the Green Town panel. The member participants were enthusiastic about the work the Health Subcommittee was doing in collaboration with DCFS to improve obesity prevention standards within child care licensing
  - b. Oral Health Work Group
    - The Oral Health Work Group presented the Oral Health recommendations for Rule 407. The Health Subcommittee reviewed the recommendations and made a couple of suggestions: to recognize any current oral health standards currently in Rule 407 within the recommendations and to look into adding language on pacifier use and oral health. The revisions will be made and sent out to the group for final comments before being presented at the SIAC meeting on May 30<sup>th</sup>
    - Funding update: CCOHF, IAFC and ICAAP all have grants to work on oral health issues. The representatives from these organizations who participate on the Health Subcommittee will link their project's work with the work of the Health Subcommittee.
  - c. Medical Home Work Group
    - The Medical Home Work Group is trying to figure out dates for their first meeting. Christy will send out meeting information to group.

**Health Subcommittee Charge:** The Health Subcommittee will develop strategies for 1) integrating health across early childhood systems and for 2) addressing gaps in health-related services that can be addressed by early childhood systems in order to support children's healthy development and school readiness. The Health Subcommittee will also define measurable outcomes for accomplishing these work priorities.

- Work priorities for the Medical Home Work Group may include: 1) investigating best practice for the implementation of care and systems coordination 2) incorporating Bright Smiles into All Kids provider manual 3) looking into implications of HFS's care coordination roll out plan for children 4) the utilization of developmental screenings at the Medical Home
- d. IL Children's Mental Health Partnership
  - The representative from ICMHP will present the mental consultation landscape at the next meeting regardless of whether they have been able to successfully collect information from ISBE regarding their PI programs.
- e. INCCRRA Work Group
  - The provider survey has been distributed and RFP out to apply to do the data analysis work once the completed surveys are returned.

**IV. Work Plan: Objective 1, Action Step 2**

**Adam B.**

- a. Presentations on how is health addressed within different components of early childhood system
  - Childhood development (physical) template
    - Health Subcommittee members want to continue working the EI column of the template in order to add more information about existing resources and procedures of EI.
  - Childhood development (social-emotional) template
    - This template was not presented at today's meeting. It will be presented at the next Health Subcommittee meeting
- b. Sign-up sheet for remainder of health areas (groups of 2-3 or individuals)
  - Health Subcommittee members/groups are asked to include definitions of terms used in their template when introducing terms that may be unfamiliar to the public at large

**V. Work Plan: Objective 1, Action Step 4**

**Adam B.**

- Discuss models for best practice in promoting health in the early childhood system
- The Health Subcommittee did not get to this agenda item today. Members agree that this work should be discussed at the next Health Subcommittee meeting and remain as a standing agenda item until the work is completed.

**VI. DRAFT Glossary document**

**Janine L.**

- Members are asked to continue sending glossary terms to Christy

**VII. Next Steps**

**Adam B.**
